LIVING FOR YOU

Verse 1
I don't have to worry
About what the future holds
All I have to know is
That You are in control

Got Your perfect plan for me
With all my hopes and dreams
Never letting go off me
I want the world to see

Pre-chorus
That I am walking with You
And You are walking with me
And now I will sing forever

Chorus:
You are with me when I dance
You are with me when I cry
You are with me when I laugh
You are always by my side

Lord I give You all I am
Placed into Your loving hands
There is nothing I won't do
You died for me

So I am living for
I'm living for You.

Verse 2
When the world looks down on me
I just need to see Your face
When everything falls to my feet
My faith will never shake

My knuckles turn white from holding on
You Give me the strength to carry on
Now I know what I am living for

Chorus:
You are with me when I dance
You are with me when I cry
You are with me when I laugh
You are always by my side

Lord I give You all I am
Placed into Your loving hands
There is nothing I won't do
You died for me

So I'm living for
I'm living for You

The price You paid and all You've given up

Where I would have been with out Your

The lowest low, I'd never show my face
But You have taken my shame away

Oh oh oh oh
Oh oh oh oh

I wanna sing until my words run out
Coz I'm going to praise You with all that
